What does the Fund offer?

The Fund invests in high quality companies at relatively attractive valuations with clear opportunities for growth.

Managed by an experienced investment team using a unique, disciplined and proven investment process, the investment manager's approach is premised on the belief that protecting capital in down markets is the foundation for superior returns over the long term.

The Fund is designed to sit as a core position in an Australian equities portfolio.

Investment style:

Market capitalisation:

For illustrative purposes only. Aside from Northcape's 'quality' focus, the investment approach does not focus on any particular style or capitalisation bias. From time to time the portfolio might exhibit biases but these are not intentional.

Investment approach:

The Fund's underlying manager, Northcape Capital Pty Ltd (Northcape), look for businesses with a clear 'reason to exist', which is usually reflected in a high and sustained return on capital employed.

Northcape believe that the most effective way to generate superior returns is through a concentrated portfolio of high-quality businesses invested over an average time frame of three or more years and have found that this approach to investing has delivered consistent returns in a range of market conditions.
